All the reasons teachers love All Stars are still true:

- **All Stars Plus is fun.**
- **All Stars Plus engages students in real life discussions.**
- **All Stars Plus helps those most in need of help.**
- **All Stars Plus helps teachers build relationships with their students.**

All Stars Plus enhances and reinforces the Core program – nothing has been lost. It goes beyond Core to include activities to make students healthier, more competent, and better equipped to resist negative peer pressure.
